Today we will be continuing our work on Dougal the Deep Sea Diver!

L.O. I can explain what a diver user his equipment for and why it is important.

Starter

How do you think Dougal is able to travel around the oceans and travel to the deepest depths? What equipment does he need?

Thinking about the questions just mentioned, let's now watch a clip about a group of deep-sea divers who are exploring the Red Sea in Egypt.

Questions to think about:

We will have to think about how he would breath underwater?

What he would use to help him see?

What would he need to help him explore?

Would you like to go Deep sea diving? Would it be extremely exciting or very scary?

Where would you like to go Deep-sea diving?

Watch clip x2- 2nd time pause and get students to begin to write sentences on whiteboard.

Sentence Openers:

Dougal's flippers are... and he uses them to...

A diver's oxygen tank is extremely important because...

The wetsuit fabric is...

Dougal's goggles help him to...and....

The computers screen is made of... because...

Challenge

Who can add personal opinions and a range of questions and exclamations to these sentences and show me they are exceeding writers!
