

NURSERY WEEK 5 HOME SCHOOL LEARNING

TOPIC: MY AMAZING BODY

Wednesday:

- Can you draw around a member of your family, you could use chalk to draw their outline with or if you have a big piece of paper, you could draw around them with a pen?
- With your grown-ups help can you label the parts of the body that you know.
- Can you tell your grown up what the different parts of the body do e.g. you use your legs for running.
- Which body parts do you have two of?
- How many fingers do you have?
- How many toes do you have?
- Log on to Curriculum Visions – Early Years Library and select 'Looking After Ourselves' book to share

Thursday:

- Watch Mr Potato Head Senses PowerPoint
- Talk about the five senses with your grown up, what are they used for?
- Log on to Curriculum Visions – Early Years Library and select 'What I Hear' book to share
- Print out and design your own Mr Potato Head (glue, paper and scissors needed), try improving your scissor skills

Friday:

- Five senses experiments –

Hearing - go into your garden, what sounds can you hear?

Smelling – can you find something in your house that smells nice/does not smell nice?

Tasting – can you taste something sweet, sour, bitter, and salty?

Touching – what feels soft/silky/smooth/prickly/rough in your house?

Looking – what can you see from your bedroom window?

Listening, Speaking and Understanding, Reading:

Curriculum Visions, English, Traditional Tales – listen to the story of Little Red Riding Hood, then retell the story to your teddy

Number: with your grown up play 'I count, you count!' Take it in turns to say the next number in the sequence. How high can you count?
