

Week Beginning Monday 18th May 2020

Thank you so much for all your hard work in continuing home learning with your children. It makes a massive difference to your child's development and learning journey. In reception, the key focus is children's ability to write sentences with correct handwriting, using their phonics and 'tricky words'. Lots of the children have said how much they enjoyed making a fact page last week. So to make writing fun, this week we are going to make your own 'Animal Book' to share with your friends back in school.

| DAY | MATHEMATICS | ENGLISH TASKS FOR THIS WEEK | OTHER SUBJECT TASKS |
|-----------|--|---|--|
| Monday | Visit the White Rose website for this week's activities. This week's activities are all based on the book 'Superworm' by Julia Donaldson. If you would like to listen to the story, click here for a YouTube video . | Read ' Snails ' on Curriculum Visions to find out how snails live. Make a fact page about snails including 3 facts that fascinate you. | Design a front cover for your animal book and post a picture on Seesaw. You could choose to draw one animal or all your favourite animals. |
| Tuesday | Visit the White Rose website for this week's activities. | Read ' Tadpoles ' on Curriculum Visions to learn how a tadpoles grow into frogs. Make a fact page about how tadpoles change into frogs. Add it to your animal book, | Phonics-Play 'Toy Museum' on Education City . Try turning any tricky words you don't know into flash cards and practise for 5 minutes a day. |
| Wednesday | Visit the White Rose website for this week's activities. | Read ' Farm Animals ' on Curriculum Visions. Make a fact page about farm animals for your book. You can decide what interests you the most. | ICT-Researching interesting questions about today's book. You could ask 'How is cheese made?' or 'How does the milk man get the milk?' |
| Thursday | Visit the White Rose website for this week's activities. | Read ' The Last Wild Animals ' on Curriculum Visions. Think about how different animals survive in the wild and where in the world they live. Write a page for your book. | Role Play-Create a home school (I know how much you loved this last time!) Teach your teddies all about the animals in your book. You could even include some animal songs. |
| Friday | Visit the White Rose website for this week's activities. | Play 'Sten and Klara's Sports Day' on Education City to read and spell tricky words. Practise Phase 3 Speedy Sounds on Oxford Owls | PSE- Write your happy list from this week. One thing that made you smile, one thing that made you go 'Wow!' and one thing that was really kind. I loved reading these on Seesaw. |
