

Week Beginning Monday 4th January 2021

Year 1

Hi Year 1! I hope you are all well and have had a great Christmas and New Year. Unfortunately we have not been able to return to school this half term but hopefully we will all be back soon! In the meantime I have lots of different activities planned for you and I am excited to see all the brilliant work you do. If you have any questions or want to get in touch you can e-mail me at: y1teacher@northenden.manchester.sch.uk. Take care and stay safe! Miss Lyons

DAY	MATHEMATICS	ENGLISH TASKS FOR THIS WEEK	OTHER SUBJECT TASKS
Monday			
Tuesday			
Wednesday	<p>Today's Lesson: Number bonds within 10</p> <p>Here is a link to a video that you can use to support your child. Please complete today's worksheet.</p>	<p><u>Writing – Christmas News</u></p> <p>Use the template to write about what you did this Christmas. What were your favourite things? Did you see the snow? Remember to include capital letters and full stops. You can illustrate your writing at the top.</p>	<p><u>Art</u></p> <p>Draw/collage/paint a tree in winter. Watch this video, can you see when the season is winter? What do you notice? Look outside your window, what do the trees look like? Use all your findings and ideas to create a picture of a tree in winter.</p> <p><u>Science – Seasons</u></p> <p>Using what you discovered yesterday use the worksheet to describe a tree in winter. Write your ideas down in sentences.</p>
Thursday	<p>Today's Lesson: Systematic number bonds</p> <p>Here is a link to a video that you can use to support your child. Please complete today's worksheet.</p>	<p><u>Grammar – Capital Letters and Full Stops</u></p> <p>Complete the activities either on the sheet or copy the sentences out onto a piece of paper.</p>	
Friday	<p>Today's Lesson: Number bonds to 10</p> <p>Here is a link to a video that you can use to support your child. Please complete today's worksheet.</p>	<p><u>Writing – Goals for 2021</u></p> <p>Tell me all about what your goals are for this year. What would you like to get better at? What would you like to learn how to do? Think of four goals; write a sentence and draw a picture to show each goal. Use the writing template.</p>	<p><u>ICT – Purple Mash</u></p> <p>Login to Purple Mash, click on games and then select 'A-fish-metic'. Here you will practise counting and you can even explore addition and subtraction.</p>
