

Hello children,

My name is Barney the Builder. I live in Toy Town. I have a very important job in Toy Town, I help all the other toys to build things. I have built houses, caves, rockets, hideouts and shops.

However, I have a bit of a problem and I need your help. There are so many toys in Toy Town who would all like things built and I can't make them all. I have heard that you are all very clever children who are kind and helpful. Please can you help me build some of the things the other toys in Toy Town would like?

I have sent you the challenge cards from the other toys. There are lots of different things to make. You could use building bricks, construction toys or different types of packaging.

Thank you for your help,

Barney the Builder
