

## Week Beginning Monday 27<sup>th</sup> April 2020

For Maths we will continue to use White Rose resources. I have also included a Curriculum Visions book and an activity on Education City (you have been sent your logins). For English our main focus this week is story writing linked to the story 'The Way Back Home'. On Monday your child has the opportunity to be creative and make their own rocket in preparation for writing their story on Tuesday. I hope you all have a great week, please let me know if you have any questions.
