

Week Beginning Monday 4th May 2020

Welcome to Week 3 of home learning! It has been lovely to speak to so many of you on the phone over the last couple of weeks and great to hear how you are getting on. This week for maths White Rose and the BBC are joining together, so follow the link in the plan and it will take you to the daily lessons. We are starting spellings this week; there is a write/cover activity on Monday followed by spelling activities and a test on Thursday (due to the bank holiday on Friday). Thank you for all the amazing work you have been uploading to Seesaw! If you have any questions or need any support in any way please contact me. Take care and keep smiling! Miss Lyons.
