

## SHEEPDOGS ARE SMART

Here is some information about sheepdogs.

For thousands of years, people have used dogs to do different tasks. Farmers and shepherds use dogs to help them when rounding up sheep, cattle and goats. One of the best types of dog at doing this is the Border Collie. They are very smart and easy to train. They are first-class at herding sheep.

Now find words or groups of words that mean the same as those in the box below.

	<b>words in the text that mean the same thing</b>
<b>a long time</b>	
<b>jobs</b>	
<b>sorts</b>	
<b>clever</b>	

Find a word and a phrase that both mean **collecting together**.
