

CLARA'S COLLECTION

Clara has a box in which she keeps special things. Here, she tells you where they all go. Draw them in the right places.

In the middle, there is a shell.
Below the shell, I put the acorn I found.
Above the shell is a photo of me as a baby.
To the left of the photo is my painted egg.
To the right of the acorn are some beads.
To the right of the photo is a baby tooth.
Between the tooth and the beads is a drawing of my cat.
A smooth pebble is on the left of the acorn.
I keep a key in the space that's still empty.
