Sorting into Groups

We are going to sort some animals into groups.

With your partner, think of a question you could ask about animals.

Grouping Animals

- Working with your partner, think of a way that you can sort your animals into groups. What question could you ask about animals?
- Cut out the pictures of animals.
- Look closely at each animal. What group does it fit into?
- Stick each picture of an animal in the right group.
- When you have finished, check your answers carefully.
