

A JUMBLE OF STORIES

These fairytale sentences are jumbled up. **Number** the parts of each sentence so that it makes sense.

1. there was a princess
 in a castle in a tangled wood
 once upon a time
 who fell fast asleep

2. who lived on a farm
 once upon a time
 and kept a pig
 there was a little boy

3. in a castle in the clouds
 there lived a giant
 who had lots of gold
 once upon a time

Here are some more to **number** in the right order.

4. long, long ago
 in the middle of a wood
 that was made of sweets
 two children came across a house

5. the wicked queen
 in a room in the palace
 and grew very angry
 stood in front of her mirror

6. which she threw into the air

- one day a princess was playing with her golden ball
 but when she tried to catch it
 where a frog was sitting
 it fell into a cool fountain
