

Welcome to week 9 of our home learning! This week we are continuing to look at emotions and, in particular, the feeling of worry. It is so important to talk about your worries because someone else might be able to help, we are also going to be making our own worry dolls to share our worries with. Our new topic is the history of flight and you are going to be making your own paper planes. I hope you all have a great week and have fun being creative! Miss Lyons ☺
