

Can you remember the words you have learnt?

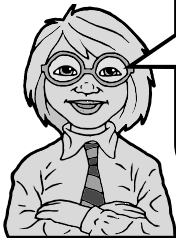

To make silly into sillier,
you change the **y** to an **i**.
What other words do you
do this for?

.....

.....

.....

.....

Bake ends in **e**, so you
only have to add an **r** to
make it into baker. What
other words are like this?

.....

.....

.....

.....

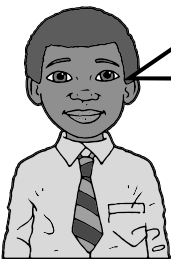

To make spice into spicy
you have to drop
the **e**. What other words
are like this?

.....

.....

.....

.....

Rude ends in **e**, so you
only have to add **st** to
make it into rudest. What
other words are like this?

.....

.....

.....

.....

To make fit into fitter,
you have to **double** the
last consonant. What
other words are like this?

.....

.....

.....

.....
