

Week Beginning Monday 4th January 2021

Year 3

Hi Year 3! I hope you are all well and had the best Christmas and New Year that you could. It is sad that we find ourselves in this position again, but hopefully it won't be too long until we are back in class. In Maths this week we will be continuing with our work on Multiplication and Division and in English we will be looking at a Greek myth called The Story of Icarus.
