

# Home Learning Weekly Plan

Year 3

Week Beginning : Monday 11<sup>th</sup> January 2021

A NOTE  
FROM YOUR  
TEACHER...

Hi Everyone! Welcome to Week 2 of your Home Learning. Thank you so much for all your hard work last week, I was so impressed with the work that you put on Seesaw. It was great to see so many of you on the ZOOM session on Friday and I really enjoyed chatting to you all and seeing your happy, smiley faces! This week in English we will be starting a new book called The Tunnel (there is a copy in your pack) and in Maths we will be continuing with our work on Multiplication and Division. We will also be starting our fascinating new topic about the Ancient Greeks. Have a great week and I look forward to seeing your work on Seesaw.

Then learn how to say I like... Upload videos to Seesaw to show me your amazing French.</p>

Reading for pleasure is one of the nicest things that you can do. Even though you might not have a school reading book at home, you can still read on a daily basis. You can read a book that you already have at home or can log onto the Oxford Owls website and choose one from there. Let me know on Seesaw what books you have read. **HAPPY READING!**
