

Hi Year 3! I hope you are all well. Welcome to week 10 of our home learning. This week we will be continuing with our book, Where the Wild Things Are. In Maths, we are moving on and looking at 2D and 3D shapes and revising how to tell the time. We are continuing with the theme of recycling, so this week I have set you the challenge of making something out of items you would usually put in the recycling bin. Thank you to those people who have uploaded work, videos and messages to Seesaw, I love seeing them. Have a super week!

DAY	MATHEMATICS	ENGLISH TASKS FOR THIS WEEK	OTHER SUBJECT TASKS
Monday	<p>Visit the White Rose website and watch today's lesson video. You can also visit the BBC BiteSize website for lessons and activities on the same topic.</p> <p>Today's Lesson : Draw Accurately</p>	<p>Writing In the story, Max was sent to his room and then went on an amazing adventure. This week I would like you to plan and then write your own story using the same format. What happened when you were sent to your room? Where did your adventure take you? Day 1 – Plan your story.</p>	<p>Geography – Recycling Create a poster to show people why we should recycle at home. Can you think of a good slogan? Make sure that it is bright and colourful. If you want to use Purple Mash to help you then I have set the activity as a To Do.</p>
Tuesday	<p>Visit the White Rose website and watch today's lesson video. You can also visit the BBC BiteSize website for lessons and activities on the same topic.</p> <p>Today's Lesson : Recognise and Describe 2D shapes</p>	<p>Writing Day 2 – Start to write your story. Remember to use full stops and capital letters and to include lots of ambitious vocabulary.</p>	<p>Science – Light We use mirrors every day, but do you know how one works? This week we are going to do some tests to find out how a mirror works. Use the activity sheet to complete each test and see what you find out.</p>
Wednesday	<p>Visit the White Rose website and watch today's lesson video. You can also visit the BBC BiteSize website for lessons and activities on the same topic.</p> <p>Today's Lesson Recognise and Describe 3D shapes</p>	<p>Writing Day 3 – Finish writing your story. Make sure you read it when you have finished, to check that it makes sense and to add in any missing punctuation. You can also illustrate it if you wish.</p>	<p>DT Your task this week is to create your own pencil pot out of things that you would recycle at home. Here are some examples and a design sheet for you to complete. This activity will take 2 days. I am looking forward to seeing your finished pencil pots on Seesaw.</p>
Thursday	<p>Visit the White Rose website and watch today's lesson video. You can also visit the BBC BiteSize website for lessons and activities on the same topic.</p> <p>Today's Lesson : Telling the time to 5 minutes</p>	<p>Spelling Complete this week's spelling activities.</p>	<p>DT Finish and evaluate your pencil pots then upload a photo to Seesaw.</p>
Friday	<p>Visit the White Rose website and select this week From each daily lesson you can also access the BBC BiteSize lessons for the same topic. Today's Lesson : Challenge of the week</p>	<p>First News Friday We all love First News in Year 3, so here are some stories from the paper. Choose some to read and answer the questions that go with them.</p>	<p>PSHE The Power of YET! We have to work every day to learn new things and keep trying even when it's hard. Being able to say we don't know how to do something, YET, is powerful. We can do it, if we keep trying. Complete the assigned activity on Seesaw.</p>
