

Hi, I hope you are all keeping safe and well, it was nice to speak to so many of you this week. Welcome to Week 2 of our Home Learning. Start each day by writing out your spellings like we would usually do in class (see spelling worksheet for your words). For Maths this week we will be using the White Rose website. There is a video for you to watch and then an activity to complete. The answers are there, so you can mark it when you have finished. In English, we are continuing with Theseus and the Minotaur.
