Have a go at learning the names of some of our favourite fruits in French. You could take a video of yourself and upload it to Seesaw to show me you saying them. I have put how to pronounce them underneath.

**(say do raysen)**

**(say an seetron)**

**(say an seetron ver)** – just like the colour green in French)
Which one do you like the best? I like tomatoes the best, so I would say *J’aime les tomate (say jem lay tomat)*.

You could say

*J’aime les raisin.*

*J’aime les citrons.*

*J’aime les citrons vert.*

*J’aime les peches.*

*J’aime les tomates.*
