

## Week Beginning Monday 22nd June 2020

Hi Year 3! I hope you are all well. Welcome to week 9 of our home learning. This week we are starting a new book called *Where the Wild Things Are*, I hope that you enjoy reading it. In Maths, we are moving on and looking at angles and lines. Over the next couple of weeks, we are going to be learning about recycling and will be completing various activities to make us think about what and how much we recycle. Have a great week!

DAY	MATHEMATICS	ENGLISH TASKS FOR THIS WEEK	OTHER SUBJECT TASKS
Monday	<p>Visit the <a href="#">White Rose website</a> and watch today's lesson video. You can also visit the <a href="#">BBC BiteSize</a> website for lessons and activities on the same topic. <b>Today's Lesson : <a href="#">Right Angles in Shapes</a></b></p>	<p><b><u>Reading – Where the Wild Things Are</u></b> This week we are starting a new book. Look at the front cover of the book '<a href="#">Where the Wild Things Are</a>' by Maurice Sendak.  What do you think the story will be about?</p>	<p><b><u>Geography – Recycling</u></b> This week I want you to keep a note of what sort things your family recycle. Create a tally chart to show the information.</p>
Tuesday	<p>Visit the <a href="#">White Rose website</a> and watch today's lesson video. You can also visit the <a href="#">BBC BiteSize</a> website for lessons and activities on the same topic. <b>Today's Lesson : <a href="#">Compare Angles</a></b></p>	<p><b><u>Reading</u></b> Read the story '<a href="#">Where the Wild Things Are</a>'  Did you like it? Why or why not? Write your views of the story.</p>	<p><b><u>Science – Light</u></b> Read the <a href="#">information about reflective light</a>. Your task is to design a new book bag that will help to keep children safe. You can <a href="#">test which materials</a> will be best to use by using a torch and some white card or paper. Some materials that you could test are...CDs, tin foil, cardboard, fabric, or paper. Once you have decided on a material, then <a href="#">design your book bag</a>.</p>
Wednesday	<p>Visit the <a href="#">White Rose website</a> and watch today's lesson video. You can also visit the <a href="#">BBC BiteSize</a> website for lessons and activities on the same topic. <b>Today's Lesson : <a href="#">Horizontal and Vertical</a></b></p>	<p><b><u>Writing</u></b> Create your own wild thing creature and write a character description for it.</p>	<p><b><u>PSHE – Looking After Ourselves</u></b> It is important that not only do we look after others that we look after ourselves too. You need to take care of yourself and do things that make you happy. Complete the <a href="#">activities</a> about looking after yourself.</p>
Thursday	<p>Visit the <a href="#">White Rose website</a> and watch today's lesson video. You can also visit the <a href="#">BBC BiteSize</a> website for lessons and activities on the same topic. <b>Today's Lesson : <a href="#">Parallel and Perpendicular</a></b></p>	<p><b><u>Spelling</u></b> Complete this week's <a href="#">spelling activities</a>.</p>	<p><b><u>ICT – Simple City or Purple Mash</u></b>  Complete the recycling activity in the 'To Do' section.</p>
Friday	<p>Visit the <a href="#">White Rose website</a> and select this week From each daily lesson you can also access the <a href="#">BBC BiteSize</a> lessons for the same topic. <b>Today's Lesson : Challenge of the week</b></p>	<p><b><u>First News Friday</u></b> We all love First News in Year 3, so here are some <a href="#">stories from the paper</a>. Choose some to read and answer the questions that go with them.</p>	<p><b><u>Geography – Recycling</u></b> Use the information that you have collected in your tally chart to <a href="#">create a bar chart</a>. What do your results show? Do you think your family is good at recycling or do you think you could do better?</p>
