

Lots of things have happened today.

After breakfast, me and Tris sat on the wall by the front gate. We waited ages then we saw Nana and Grandad's blue car. Grandad tooted the horn lots of times.

Mum made Nana and Grandad a cup of tea. They took a long time to drink it. Me and Tris were getting bored.

At last we said goodbye to Mum and got in Grandad's car. It was a long journey to the safari park.

At the safari park we saw elephants and lions. We drove through a field where there were some giraffes. The giraffes came very close to the car and looked

at us through the window. Me and Tris thought it was very funny.

We went in another part where there were monkeys. They climbed on to the car and pulled the windscreen wipers. Grandad thought the wipers might break but they didn't.

I bought a toy monkey and Tris bought a lion. Nana said the monkey looked just like me and she kept calling it Holly.

Tris went to sleep in the car on the way back but I didn't.
