Editing and Improving 2

Read the paragraph below, and then re-write it. You will need to fix any punctuation errors as well as improve it by adding:

- Adverbs and adverbials
- Similes
- Subordinate clauses
- Upgraded language
- Expanded noun phrases

You could also add a maximum of three of your own sentences.

billy sat on the deck of the zanzibar and looked out across the waves. His hands hurt from hours of peeling potatoes and hard work. he missed his family. He missed being able to talk to laura about his problems. He missed mum and her way of knowing what was upsetting him. he even missed dad, who's bad temper and complaining had driven billy away in the first place.
