

Year 5

Week Beginning 01/06/2020

Viking Clothing Comprehension

Read pages 24 and 25 of Viking Invaders and Settlers, and then answer the following questions.

1. What were most Viking clothes made from?
2. What kind of qualities did Viking clothing need to have? For example, did they need to be colourful?
3. How did the Vikings add colour to their clothing?
4. What materials did the Vikings use to make their clothing?
5. How did the Vikings add some decoration to their outfits?
6. How much wool did the Viking people need to make a dress?
7. Describe the differences between male and female clothing during the Viking times? Explain similarities and differences.
8. For what reasons was jewellery important in Viking culture?
9. What do you think of Viking personal hygiene?
10. How does a Viking warrior's clothing differ to that of an ordinary person? Try and give as much detail as you can.
