### Instruction Writing 1

Can you write a set of instructions for how to play Benchball. We have all enjoyed playing this game with Mr Ashcroft and should be able to show how much we have learned about the game.

The instructions will need to be split into **two sections** – **attack** and **defense**.

Remember to include specific imperative verbs like pass instead of throw.

Remember that the instructions should be in chronological order.

Remember to include adverbs and adverbials to explain how, when and where.
