

Year 5 English

Week Beginning 04/05/2020

Instruction Writing 3

I have written a set of instructions but they are definitely in need of some improvement. They are missing punctuation, the correct imperative verbs, adverbs and adverbials and even a title! They are also lacking detail, which could help the reader to follow them properly. You could also add extra steps if you feel that they are needed, such as an option for the person who is going to receive the food.

Read the instructions below and fix them.

-
1. get some bread.
 2. Next put the bread in and shove the level down
 3. wait
 4. Use a knife to wipe some butter onto the bread
 5. Jam or Marmite after that
 6. While all this is going on make a cup of tea
 7. Finally, serve.
