History

Read pages 34 and 35 of Viking Invaders and Settlers and then answer the questions.

- 1) What were the first Viking raids of Britain like?
- 2) What did the Vikings realise that changed the way they raided the country?
- 3) Why did the Vikings raid other countries?
- 4) Write a paragraph (5 sentences) to describe a Viking raid. You should talk about where they came from and where they settled, and what they did and what happened when they arrived.
- 5) What was the difference between the Vikings that came from Denmark compared to the ones from Norway?
- 6) Compare what happened in Ireland to the way that the Vikings conquered new territory in England and Scotland.
