

## Week Beginning Monday 18th May 2020

It is the start of another week of home learning. I hope you are all staying safe and happy, and thank you for all your feedback on the tasks I am setting. Last week I was inspired by you! So many of you have sent me photos of the lovely things you've baked that I had a go at baking my daughter's birthday cake! There are currently lots of tournaments taking place on Times Tables Rock Stars, so make sure you log in and start earning points for Team Y5!

DAY	MATHEMATICS	ENGLISH TASKS FOR THIS WEEK	OTHER SUBJECT TASKS
Monday	<p>Visit the <a href="#">White Rose website</a> and select this week From each daily lesson you can also access the <a href="#">BBC's BiteSize lessons</a> for the same topic.</p> <p><b>Today's Lesson</b> <a href="#">Add and subtract fractions</a></p>	<p>Look at your <a href="#">spellings for this week</a> and complete your first Write/Cover activity. I would also like you to use this week's spellings to write a story. The story should be no longer than one page and your challenge is to include as many of them as possible!</p>	<p><b>PE</b> - This week I would like you to re-live the fun we had doing our mile runs at school by covering a mile. You could walk, cycle, run, scooter, skateboard or anything else you can think of! Why send a photo on seesaw of where your mile takes you? Feel free to do this more than once!</p>
Tuesday	<p>Visit the <a href="#">White Rose website</a> and select this week From each daily lesson you can also access the <a href="#">BBC's BiteSize lessons</a> for the same topic.</p> <p><b>Today's Lesson</b> <a href="#">Add Fractions</a></p>	<p>Today I would like you to complete the <a href="#">comprehension Pets and Pests</a>. For the task you will need to read the three short texts and use your inference and prediction skills to write down what you think will happen next.</p>	<p><b>History</b> – Pages 8-9 of <a href="#">Viking Invaders and Settlers</a> describe how the Vikings wrote and their alphabet. Read the pages, and then there are two activities linked to this. For the first task I would like you to make a map of surviving Viking places. I have provided a <a href="#">template</a>, and you will need to find the places and label them on the map. You could also include some information about why the places were important to the Vikings by doing your own research. Task two is about <a href="#">Viking writing</a>, and is also a good opportunity to use some of your brilliant craft skills.</p>
Wednesday	<p>Visit the <a href="#">White Rose website</a> and select this week From each daily lesson you can also access the <a href="#">BBC's BiteSize lessons</a> for the same topic.</p> <p><b>Today's Lesson</b> <a href="#">Add mixed numbers</a></p>	<p>This week in Writing we will be focussing on speech punctuation. Direct speech, where speech marks are used to show the things that are being said out loud needs to be punctuated in the right way. Today's task will give some examples and then require you to do some of your own. <a href="#">Worksheet - Speech1</a></p>	
Thursday	<p>Visit the <a href="#">White Rose website</a> and select this week From each daily lesson you can also access the <a href="#">BBC's BiteSize lessons</a> for the same topic.</p> <p><b>Today's Lesson</b> <a href="#">Subtract Mixed Numbers</a></p>	<p>Today in writing we will be looking at how you can show speech in your writing without using speech marks. This is called indirect speech and it gives us different options when writing creatively, which we will be doing tomorrow! <a href="#">Worksheet – Speech2</a></p>	
Friday	<p>Visit the <a href="#">White Rose website</a> for this week and try the Friday BiteSize challenge. Also, complete your <a href="#">Times Tables Rock Stars</a> challenges.</p>	<p>Today I would like you to write short story (no more than one page) using a mix of direct and indirect speech. You should choose one of the pictures from <a href="#">today's worksheet</a> to use as inspiration. I can't wait to see what you come up with! Don't forget to complete your <a href="#">spelling activity</a> and ask someone to test your spellings!</p>	<p><b>Science</b> – Read the <a href="#">First News article</a> on Space Technology and answer the questions. Try to answer in full sentences and give detailed responses. Can you remember what we learned about the solar system? Could you create a poster to show the planets and some information on them?</p>
