

Year 5 Writing

Friday 16th July 2021

LC: To edit my news report

Use this page to choose 5 sentences from your news report and improve them. I would also like you to make a note of what you improved and why, for each sentence. Here are some things you might want to do when editing your work:

- Use more formal language
- Include a formal conjunction
- Include more emotive language
- Use co-ordinating or subordinating conjunctions to extend and add detail to your sentences

New sentence	Reason for editing
