Year 5

Week Beginning 01/06/2020

Writing – The middle of the story

Use this page to write the middle of your story. This is where the action happens! Your characters should get into some kind of problem that needs to be solved before they can return home! Your language should include this kind of language:

- Adverbs and adverbials
- Fronted adverbials
- Similes
- A range of exciting verbs (dash instead of run, for example)
