

First of all, I hope you and your families are all staying well, safe and happy. It looks like the glorious sunshine has left us for now, but being northern we are not scared of a little rain! This week you will be writing a newspaper article, and looking at examples of real world news to help inspire you. You will also be setting yourself a physical goal in PE, continuing your learning about the French words for weather and creating a piece of artwork linked to your family. Mr Mallinson.

DAY	MATHEMATICS	ENGLISH TASKS FOR THIS WEEK	OTHER SUBJECT TASKS
Monday	<p>Visit the White Rose website and select this week From each daily lesson you can also access the BBC's BiteSize lessons for the same topic. Today's Lesson Decimals as Fractions</p>	<p>Look at your spellings for this week and complete your first Write/Cover activity. This week I would like you to create a word search using your spellings. You could challenge someone in your house to complete your wordsearch, or set it aside and do it yourself at the end of the week.</p>	<p>PE – This week I would like you to think about setting a physical goal for yourself. This could be a skill based goal such as doing a certain number of kick-ups in a row or it could be an endurance challenge such as running a certain distance. How could you work towards achieving your goal?</p>
Tuesday	<p>Visit the White Rose website and select this week From each daily lesson you can also access the BBC's BiteSize lessons for the same topic. Today's Lesson Understanding Thousandths</p>	<p>This week we will be thinking about news. You will be writing a newspaper article about a current issue. This could be something connected to the Coronavirus, the environment or anything else you choose. To begin with, watch Newsround and gain an understanding of some current news issues. Use the sheet to makes some notes on different news stories.</p>	<p>Art/PSHE – This week I would like you to think about your family, and create a piece of family art. This could be a picture, a collage, or anything else you can think of and it should represent something about your family. Think about what is important to your family, or something that you all enjoy doing. It could be related to a significant event for your family, or a memory, or a plan for the future. Talk to the people at home and make some notes about what they think is important about your family. This task is inspired by a piece of art hanging in my kitchen! I have attached a photo for you to take a look.</p>
Wednesday	<p>Visit the White Rose website and select this week From each daily lesson you can also access the BBC's BiteSize lessons for the same topic. Today's Lesson Rounding Decimals</p>	<p>Today you are going to be planning your own news article. It will need a headline, and should be full of information about the issue that you are reporting using the planning format. I would also like you to look at the latest issue of First News through the school website, and think about the features of the texts.</p>	
Thursday	<p>Visit the White Rose website and select this week From each daily lesson you can also access the BBC's BiteSize lessons for the same topic. Today's Lesson Order and Compare Decimals</p>	<p>Today you will be writing your news article. Use your plan, your knowledge of news reporting from Newsround and First news. I have attached a writing frame to help you organise your writing. The template has space for a headline, picture, caption and columns for your writing.</p>	
Friday	<p>Visit the White Rose website for this week and try the Friday BiteSize challenge. Also, complete your Times Tables Rock Stars challenges.</p>	<p>Comprehension – Can you create a headline for each of the short news articles about Rosa Parks? Rosa Parks was an important activist who campaigned for racial equality. This work also links to the important current events going on in the USA and around the world today. Don't forget to ask someone to test your spellings!</p>	<p>Science – This week you are going to be investigating air resistance by making paper spinners. There is a template to help you make the spinners and a sheet to record your results. Does changing something about the spinner change the way that it falls?</p>
