

## Week Beginning Monday 22<sup>nd</sup> June 2020

Hello Year 5. Welcome to week 9 of your home learning. I hope you're all staying safe, happy and you're not too disappointed by the end of the sunshine (for now at least). I have been busy working with a small group of Year 6 children, but I am missing all of your smiling faces! This week I would like you to keep a diary, and reflect on yourself, and how you might have changed or grown during lockdown. I'd also like you to push your physical strength in PE and this week's maths is all about decimals!

DAY	MATHEMATICS	ENGLISH TASKS FOR THIS WEEK	OTHER SUBJECT TASKS
Monday	Visit the <a href="#">White Rose website</a> and watch today's lesson video. You can also visit the <a href="#">BBC BiteSize</a> website for lessons and activities on the same topic. <b>Today's Lesson</b> <a href="#">Subtracting Decimals</a>	This week for spelling you have 2 tasks which revise the spellings you have learned this term so far. The first task is a <a href="#">word search</a> <b>Comprehension</b> – Please complete the <a href="#">comprehension activity</a> based on the diary entry. Can you remember what the features of a diary are?	<b>PE</b> – This week I would like you to work on muscle power. Choose an exercise that is repeated such as sit ups, press ups, squats or lunges and see how many you can do today. Use the rest of the week to try and beat your previous score. How much can you improve in a week? <a href="#">Record Sheet</a>
Tuesday	Visit the <a href="#">White Rose website</a> and watch today's lesson video. You can also visit the <a href="#">BBC BiteSize</a> website for lessons and activities on the same topic. <b>Today's Lesson</b> <a href="#">Subtracting Decimals</a>	<b>Writing</b> – This week I would like you to keep a diary, and aim to write an entry for each day of the week. Take a look at the features of a diary below. <ul style="list-style-type: none"> <li>• First person</li> <li>• Past tense</li> <li>• Paragraphs to organise ideas/events of the day</li> <li>• Description of events <b>and</b> your feelings about them</li> </ul>	<b>History</b> – The Vikings found sagas, myths and legends very important. They used them for entertainment and to teach the younger generation lessons through storytelling. Can you find out about a Viking story? You could use the internet to research this. When you have found one I would like you to turn the story into a comic strip. Use the <a href="#">BBC BiteSize page about Viking sagas</a> to help you.  I have attached a <a href="#">comic strip template</a> .
Wednesday	Visit the <a href="#">White Rose website</a> and watch today's lesson video. You can also visit the <a href="#">BBC BiteSize</a> website for lessons and activities on the same topic. <b>Today's Lesson</b> <a href="#">Multiplying Decimals by 10,100,1000</a>	You could choose to write about the whole day, or you could describe certain more important events. Remember that the purpose of a diary is to reflect on what has happened that day, and so you should talk about how you feel as well as the things that actually happened. You could also close each entry with an overall reflection such as <i>"Today was difficult because ..... but I have learned something and hopefully tomorrow will be different."</i>	
Thursday	Visit the <a href="#">White Rose website</a> and watch today's lesson video. You can also visit the <a href="#">BBC BiteSize</a> website for lessons and activities on the same topic. <b>Today's Lesson</b> <a href="#">Dividing Decimals by 10,100,1000</a>		<b>RE</b> – You have already been learning about the 5 pillars of Islam. Can you <a href="#">complete the activity</a> to remind yourself about this key part of the Muslim faith?
Friday	Visit the <a href="#">White Rose website</a> and select this week From each daily lesson you can also access the <a href="#">BBC BiteSize</a> lessons for the same topic. <b>Today's Lesson : Challenge of the week</b>	This is also a good chance to reflect on yourself, and how things may have changed during the lockdown, which you will need to do for Friday's PSHE activity.  Please complete the <a href="#">second spelling revision task</a> , which is a sentence making game using this term's spellings.	<b>PSHE</b> – What have you learned about yourself during lockdown. Have you changed in any way? Have you learned a new skill or discovered something about yourself? Complete the sheet <a href="#">"The New Me"</a> , to show how you have grown during this experience!
