

## The Wind and the Sun by Aesop

The Wind and the Sun were disputing which was the stronger. Suddenly, they saw a traveller coming down the road; the Sun said,

“I see a way to decide our dispute. Whichever of us might cause that traveller to take off his cloak shall be regarded as the stronger. You begin.”

So the Sun retired behind a cloud and the Wind began to blow - as hard as it could - upon the traveller. But the harder he blew, the more closely did the traveller wrap his cloak round him, until at last the Wind had to give up in despair. Then, the Sun came out and shone in all his glory upon the traveller, who soon found it too hot to walk with his cloak on.
