

Hello Year Six. I hope that you and your families are all safe and well and that you have been able to relax and enjoy the excellent weather. This week we shall be exploring a particular historical event, which took place in a small village only thirty miles from us. As the week goes on, I'm sure you will begin to make links between this event and what we have all so bravely gone through ourselves over the past weeks. Really looking forward to seeing work posted and to hearing from you again soon. Mrs Matthews

DAY	MATHEMATICS	ENGLISH TASKS FOR THIS WEEK	OTHER SUBJECT TASKS
Monday	<p>Visit the White Rose website and select this week From each daily lesson you can also access the BBC's BiteSize lessons for the same topic.
