

## Week Beginning Monday 1<sup>st</sup> March 2021

I wanted to begin this week's planning by saying a huge 'Thank you!' for all your effort in making home learning such fun. Seeing the quality of the work posted on Seesaw has been so inspiring and has given me lots of new ideas too. When the children come back to school we will be celebrating World Book Day together. This week's planning does have a focus on World Book Day and includes famous authors and illustrators talking to you about how they come up with the ideas for their books. There's even a book called 'The Dinosaur that Pooped a Princess'. I hope you have a fantastic week.

DAY	MATHEMATICS	ENGLISH TASKS FOR THIS WEEK	OTHER SUBJECT TASKS
Monday	<p><a href="#">Maths Lesson 1(White Rose Maths)</a> For today's challenge can you make a number line from 1-10 and practise counting backwards. You could find 10 teddies or toys and sing '10 in the bed' or '10 Green Bottles'</p>	<p>Today's class story is '<a href="#">Everybody Needs a Rock</a>'. The book talks about finding a special stone that you can wash and keep in your pocket. The book also encourages you to think how old your rock is and where it has come from. If you rub your stone, how does it feel? If you look at it closely what colours can you see?</p>	<p><a href="#">Phonics-'er' sounds</a> Here's a reminder of <a href="#">How to say our sounds</a>. For today's writing task we are going to watch <a href="#">Jonny Duddle</a> talking about his dinosaur book and how he made it. Can you draw and make a dinosaur book to share on Seesaw. Here's <a href="#">a dinosaur rap</a> to help you choose your favourite dinosaurs.</p>
Tuesday	<p><a href="#">Maths Lesson 2(White Rose Maths)</a> For today's challenge, make a number track and play a guessing game using 'more than' and 'fewer'.</p>	<p>Today's reading book is '<a href="#">The Last Wild Animals</a>' Read the book and see if you can think of three ways which we can help protect these animals?</p>	<p>Phonics-<a href="#">reading double letters</a> Today's art lesson has a <a href="#">World Book Day</a> theme. Can you make a story box where you can act out your own stories. Here is the story '<a href="#">What the Ladybird Heard</a>' that was illustrated by Lydia Monks.</p>
Wednesday	<p><a href="#">Maths Lesson 3(White Rose Maths)</a> Play the 'more than' or 'fewer than' game using dominoes. If you don't have dominoes at home you can make them using paper or old card.</p>	<p>Today's reading book is '<a href="#">The Last Wild Animals</a>' Re-read yesterday's book and make a list of the Phase 3 words and tricky words that you can find. Post your list on Seesaw so I can see which words you have found.</p>	<p>Phonics- <a href="#">reading double letter (2)</a> As we have focused on dinosaurs as part of our World Book Day celebrations we have a <a href="#">dinosaur yoga</a> video today. A story to finish '<a href="#">The Dinosaur That Pooped a Planet</a>'</p>
Thursday	<p><a href="#">Maths Lesson 4(White Rose Maths)</a> Make some tens frames displaying different amounts, then make digit cards 1-10. How many more would you need to make 10?</p>	<p>Let's Celebrate World Book Day with <a href="#">Tom Fletcher</a> Here he is reading one of his picture books <a href="#">The Dinosaur That Pooped a Princess</a></p>	<p>For today's World Book Day activity we are going to draw a dinosaur with children's author and illustrator <a href="#">Rob Biddulph</a>. I have chosen '<a href="#">Full, Full, Full of Love</a>' for my favourite book on World Book Day. I hope you enjoy it too.</p>
Friday	<p><a href="#">Maths Lesson 5(White Rose Maths)</a> Make a tens frame using sticks or chalk. Ask a grown up to make some different collections. Can you use your tens frame to count them. How many more would you need to make 10?</p>	<p>Today's reading book is '<a href="#">Animals</a>' Read p60-77. See if you can become more fluent at sounding out Phase 3 words and recognising tricky words.</p>	<p>Phonics-<a href="#">reading longer words</a> Well Done Assembly-It's assembly day and you are the teacher. Find a certificate in your home learning pack and write a message to your Star of the Week. You could even have your own assembly at home.</p>
