

## Week Beginning Monday 22<sup>nd</sup> February 2021

Hello everybody! We hope you had a wonderful half term holiday and enjoyed having some free time. We have a new book this week called ‘The Colour Monster’. It is such a good book, as the monster changes colour depending on how he is feeling. For our Zoom call this week, I am going to be playing you different kinds of music to see if you can guess the emotions. For our art activity, we have a real author and illustrator, showing us how to draw a monster. Looking at how good the books you have made are, I wonder if one day, you might be an author too. Remember also that your reading books are available on Oxford Owls and Big Cats (links on home learning page). We aim for children to read a Yellow band book independently by the end of reception so a good daily reading routine is key to helping your child achieve.

DAY	MATHEMATICS	ENGLISH TASKS FOR THIS WEEK	OTHER SUBJECT TASKS
Monday	<p><a href="#">Maths Lesson 1(White Rose Maths)</a> For today’s challenge make a set using of 9 and 10 using a tens frame. Then see if you can find the numerals 9 and 10 anywhere inside or outside your house.</p>	<p>Today’s class story is <a href="#">‘The Colour Monster’</a>. Here is the <a href="#">song</a>. Can you read along with the lyrics and join in with the song.</p>	<p>Phonics-<a href="#">‘oi’ sounds</a> Here’s a reminder of <a href="#">How to say our sounds</a>. For today’s writing task we are going to make <a href="#">‘A Colour Monster’</a> book. Watch the story to help you, then draw each monster then write a sentence for each feeling. What makes you happy, calm etc.</p>
Tuesday	<p><a href="#">Maths Lesson 2(White Rose Maths)</a> For today’s challenge make/print sets of pictures of groups that either total 9 or 10. Can you sort the pictures into the correct amount?</p>	<p>Today’s reading book is <a href="#">‘Looking After Myself’</a> Read p1-20 Can you think of five ways you take good care of yourself? To help you practise your tricky words here is a <a href="#">song</a> to help you. These words are tricky because you can’t sound them out. The best way to learn them is by <a href="#">using flash cards and learn them off by heart</a>.</p>	<p>Phonics-<a href="#">the ‘ee’ sound</a> Today’s art lesson is with Rob Biddulph the children’s illustrator and author. He is teaching us how to draw a <a href="#">monster</a>. Pause the video so that you can draw along at your own pace. You will end up with a picture you are so proud of.</p>
Wednesday	<p><a href="#">Maths Lesson 3(White Rose Maths)</a> For today’s challenge can you order the numbers 1-10 then ask your grown up to trick you and see if you can spot the mistake. There may be a number upside down or a number in the wrong place.</p>	<p>Today’s reading book is <a href="#">‘Looking After Myself’</a> Read p20-40. Can you think of five ways you like to keep fit? Let’s listen again to our tricky word <a href="#">song</a> but today see if you can write the words down. Can you remember what the word looks like? I hope the song helps you remember.</p>	<p>Phonics- <a href="#">the ‘ear’ sound</a> When we talk about emotions we found out that music and dancing can make you feel happy. Today in dance, we are doing a <a href="#">‘Disco Yoga’</a> session. I hope it makes you feel happy and lively. We also have a <a href="#">‘Emotions Song’</a></p>
Thursday	<p><a href="#">Maths Lesson 4(White Rose Maths)</a> For today’s challenge make your own 10 picture and explore the different ways we can make 10.</p>	<p>Today’s reading book is <a href="#">‘Looking After Myself’</a> Read p40-60. Can you think of five healthy foods that you eat? How many unhealthy foods do you eat? Here is another <a href="#">Tricky Word</a> song to help you remember some more sight words</p>	<p>Phonics-<a href="#">the ‘air’ sound</a> For today’s activity we are playing with <a href="#">boxes</a>. In the clip the artist makes a box cat, but you could make a monster, or a house for a favourite teddy. All you need is a pen, scissors and an old box. Here is a <a href="#">‘3D Shape Song’</a> to help you learn their names.</p>
Friday	<p><a href="#">Maths Lesson 5(White Rose Maths)</a> For today’s challenge play 1-10 bingo. Either print/make the cards and ask if your family would like to play.</p>	<p>Today’s reading book is <a href="#">‘Looking After Myself’</a> Read p60-77. Can you think of five ways that you look after your learning? Let’s listen again to our tricky word <a href="#">song</a> but today see if you can write the words down. Can you remember what the word looks like?</p>	<p>Phonics-<a href="#">Phase 3 review</a> Well Done Assembly-It’s assembly day and you are the teacher. Find a certificate in your home learning pack and write a message to your Star of the Week. You could even have your own assembly at home.</p>
