

Week Beginning Monday 27th April 2020

I hope you enjoyed last week's activities and our new topic 'Nature on My Doorstep'. This week we are going to read two new books, from our Curriculum Vision library, which teach us about the trees we see growing all around us and about the birds living in these trees. Our maths activities are all based around one of our favourite class stories 'Supertato'. I think you'll especially like the 2D shape activities with 'Evil Pea'. Have fun learning and I can't wait to hear all about it.

DAY	MATHEMATICS	ENGLISH TASKS FOR THIS WEEK	OTHER SUBJECT TASKS
Monday	<p>Early Years White Rose Maths Select the activities for the Week Beginning 20th April</p> <p>Listen to the story and answer the maths questions with you grown up. How would you set a trap for 'Evil Pea'?</p>	<p>Read 'I Saw a Tree' on curriculumvisions.com. Can you answer the 'how' and 'why' questions about the text?</p>	<p>Topic Activity-tree rubbing Take your crayons or chalk and have a go at tree rubbing. If you have rainbow colours, you could try making a rainbow rubbing. Can you find any different textures to try?</p>
Tuesday	<p>Early Years White Rose Maths Select the activities for the Week Beginning 20th April</p> <p>Supertato Maths Lesson 2 Explore 2D shapes using Evil Pea and his friends.</p>	<p>Read 'Nests' on Curriculum Visions. Can you answer the 'how' and 'why' questions about the text?</p>	<p>Writing-Make a birdwatching book Keep a log of all the different birds you can see. See if you can remember this morning's book. Have a try at photographing the different birds you can see.</p>
Wednesday	<p>Early Years White Rose Maths Select the activities for the Week Beginning 20th April</p> <p>Supertato Maths Lesson 3 (White Rose Maths). Count how many challenges you can complete in the set time. What challenges could you set for your grown up?</p>	<p>Phonics-Play 'Main Train' and 'Meet the Sheep' on Education City practising vowel diagraphs 'ai' and 'ee'. Daily Reading p1-14 'Purple' on Curriculum Visions (Early Years section found under Library)</p>	<p>Art-drawing Practise your sketching skills by drawing a natural object that you like the look of. This may be a leaf or flower, or one of the birds you have seen. Artprojectsfor kids.org have lots of drawing tutorials teaching some great techniques.</p>
Thursday	<p>Early Years White Rose Maths Select the activities for the Week Beginning 20th April Supertato Maths Lesson 4 (White Rose Maths).
